YOUR EQUIPMENT CAN DO MORE!

MUVALIFT'S MULTI-USE ACCESSORY TURNS YOUR TRACTOR, BACKHOE OR MINI-EXCAVATOR INTO A MATERIAL HANDLING MACHINE!

With our quick attach accessory, your equipment can lift, haul and place materials of various sizes and orientations. It is great for construction, farm & agriculture or even around the house.

The Muvalift increases job-site efficiency, adds new capabilities to your existing equipment and is designed for ease of use by contractors and homeowners.

Check out some of the Muvalift features below:

Multi-Use

- ✓ Works with various equipment such as compact tractors and mini-excavators
- ✓ Use it for plywood, windows, doors, beams and more
- ✓ Optional Muvalift add-ons provide additional functionality

Adaptable

- ✓ Configurable to suit your needs and materials
- ✓ Bucket or direct mount options to fit your equipment
- ✓ Variable configurations provide safer material handling options

Convenient

- ✓ Use Muvalift with your existing equipment
- ✓ Compact and portable
- ✓ Attach / detach as needed
- ✓ Stores easily when not in use

**PROUDLY BUILT
IN THE U.S.A.**

Muvalift, available in the contractor-grade **Muvalift Max** and the smaller homeowner version **Muvalift Mini**, is available through select distribution and retail outlets.
